In the end Jun'22, Fund's generate income by investing ~11% in Debt & Money Market securities and to generate capital appreciation by investing ~77.2% in equity and equity related securities. Sector wise Fund invest in Oil & Gas Exp. ~21.3% and ~26.2% in others whereas ~10.7% in Cement.

The Mutual Fund Performance Ranking (Star Ranking) aims to distinguish funds based on their relative actual performance within a category of similar funds. In measuring performance, PACRA considers absolute monthly return and its variance measured through downside deviation. The ranking is a pure quantitative measure based on historical returns of a fund relative to other funds and does not take into account other factors including the fund management capability of the asset manager and the quality of risk management systems, controls, and processes. Hence, the rankings do not provide any assurance as to the future returns of a fund.

Ranking Scale table with 5 columns: 1-Star, 2-Star, 3-Star, 4-Star, 5-Star. Corresponding star icons and descriptive terms: Superior, Good, Average, Below Average, Weak.
