Rating Rationale

Factor	Comment
Ownership	The ownership structure is considered strong, boosted by the strong business acumen of the sponsoring group. The Company is ~93% owned by JS Bank Limited.
Governance	JSGCL is governed by a robust eight-member board, including three independent directors four non-executive directors, and one executive director (CEO). Four board committees, each chaired by independent directors, strengthens the oversight framework.
Management and Client Services	The Company has a well-developed organizational structure and an experienced management team. Dedicated departments are present for client services, including complaint management and award-winning research reports.
Internal Controls and Regulatory Compliance	JSGCL maintains a robust control environment reinforced by a group-level internal audit that reports directly to the audit committee. Well-drafted policies and a dedicated Head of Compliance ensures adherence to regulatory requirements.
Business Sustainability	During 9MCY24, the Company focused on onboarding new retail clients, constantly appearing in the top ten Brokers rankings released by the PSX with respect to new UINs. As a result, the topline of the Company grew by an impressive ~71% during the period. Moreover, net profitability grew by ~157% during 9MCY24.
Financial Sustainability	JSGCL's effective management of its proprietary investment book limits exposure to market risk. A low-leveraged capital structure and a strong equity base provides comfort.

Key Rating Drivers

JS Global Capital Limited ('JSGCL' or the 'Company') is a leading brokerage house in the country. The Company has solidified its market positioning further by enhancing its retail footprint, resulting in a growth of market share during 9MCY24. During the year, Mr. Khalilullah Usmani took over as the CEO, following Mr. Imtiaz Gardar's resignation. Going forward, it is imperative from a ratings perspective to maintain topline growth, revenue diversification, and profitability. Moreover, retention of key management personnel remains critical.

Risk Management Framework JSGCL has a strong control environment supported by internal audit performed at the group level, reporting directly to the Audit Committee. There are separate and dedicated heads of department for the Risk Management and Compliance functions, strengthening risk governance.

Regulatory Compliance The Risk Management & Compliance Department ensures regular monitoring of controls and systems, which ensures all functions are in line with the applicable policies and procedures.

Business Sustainability

Operating Environment CY24 has been a transformative year for the brokerage industry in Pakistan. Despite ongoing political uncertainty and high inflation, the economic conditions have significantly improved. The Karachi Stock Exchange (KSE-100) index has surged past the 110,000 mark, reflecting renewed confidence among investors. Declining interest rates pushed investors to divest from fixed income avenues towards the equity market, resulting in boosted volumes for the brokerage industry.

Performance JSGCL's operating revenue is mainly concentrated in equity brokerage while the corporate finance/advisory department is also in place to augment the revenue streams. Additionally, JSGCL also provides and earns from commodity brokerage and MFS/MTS services. The revenue from equity brokerage increased by ~74% during 9MCY24 to stand at ~PKR 797mln (SPLY: ~PKR 460mln). JSGCL reported net profit of PKR ~227mln in 9MCY24 compared to a net profit of ~PKR 88mln in SPLY. This profit is on account of increased revenue from equity brokerage and gain on re-measurement of investments.

Strategy Going forward, JSGCL plans to enhance its footprint in the retail universe more significantly. JSGCL's launched Zindagi app has been a significant tool for developing its retail clients. From a total of around 250mln retail clients, Zindagi app has obtained a market of 50mln users.

Financial Sustainability

Credit Risk The Company has developed and implemented risk management policies and guidelines whereby clients are provided trading limits according to their worth and proper margins are collected and maintained from the clients. The management continuously monitors the credit exposure of the clients.

Market Risk The investment book of JSGCL remains limited to bank placements, RBFS, and other low-risk investments and does not engage in proprietary book investments, limiting the exposure to market risk.

Liquidity Risk The Current Liabilities for the Company stood at ~PKR 4,659mln at end-Sep'24, compared with ~PKR 3,787mln at end-Dec'23. Whereas the current assets of JSGCL stood at ~PKR 6,665mln at end-Sep'24, compared to ~PKR 5,196mln at end-Dec'23.

Capitalization JSGCL has a strong capitalization level with the Company's equity standing at ~PKR 2,686mln at end-Sep'24.

<p>Outlook (Stable, Positive, Negative, Developing) Indicates the potential and direction of a rating over the intermediate term in response to trends in economic and/or fundamental business/financial conditions. It is not necessarily a precursor to a rating change. 'Stable' outlook means a rating is not likely to change. 'Positive' means it may be raised. 'Negative' means it may be lowered. Where the trends have conflicting elements, the outlook may be described as 'Developing'.</p>	<p>Rating Watch Alerts to the possibility of a rating change subsequent to, or, in anticipation of some material identifiable event with indeterminable rating implications. But it does not mean that a rating change is inevitable. A watch should be resolved within foreseeable future, but may continue if underlying circumstances are not settled. Rating watch may accompany rating outlook of the respective opinion.</p>	<p>Suspension It is not possible to update an opinion due to lack of requisite information. Opinion should be resumed in foreseeable future. However, if this does not happen within six (6) months, the rating should be considered withdrawn.</p>	<p>Withdrawn A rating is withdrawn on a) termination of rating mandate, b) cessation of underlying entity, c) the rating remains suspended for six months, or/and d) PACRA finds it impractical to surveil the opinion due to lack of requisite information.</p>	<p>Harmonization A change in rating due to revision in applicable methodology or underlying scale.</p>
---	---	--	---	---

Surveillance. Surveillance on a publicly disseminated rating opinion is carried out on an ongoing basis till it is formally suspended or withdrawn. A comprehensive surveillance of rating opinion is carried out at least once every six months. However, a rating opinion may be reviewed in the intervening period if it is necessitated by any material happening.
