Rating Rationale and Key Rating Drivers

The rating recognizes Alfalah Insurance's maintained financial profile, emanating from i) well managed insurance assets/liabilities structure, and ii) investment book that contributes a sizable income stream & provide cushion to the bottom line. Rating also draws comfort from sponsorship of the company. Growth in business volumes of the company is important. The management's conservative stance, in the form of low risk retention, continues yielding profitability. Positive momentum in volumes is expected to continue on the back of new products. Health and accident segment intends to fortify its position in the general insurance industry via expanding its outreach. The company is expanding penetration in motor segment; building synergies with group bank – Bank Alfalah. Supporting its prudent risk retention policies, Alfalah Insurance has a sound panel of reinsurers with favourable treaty terms.

The rating is dependent on the company's ability to augment its market position in the competitive landscape, while upholding the underwriting performance. Strengthening of liquid profile is vital along with prudent management of claims and receivables.

INSURER FINANCIAL STRENGTH (IFS) RATING RATING SCALE & DEFINITIONS

Insurer Financial Strength (IFS) rating reflects forward-looking opinion on relative ability of the insurance company to meet policyholders and contractual obligations.

RATING SCALE	DEFINITION
AAA	Exceptionally Strong. Exceptionally strong capacity to meet policyholder and contract obligations. Risk factors are minimal and the impact of any adverse business and economic factors is expected to be extremely small.
AA+ AA AA-	Very Strong. Very strong capacity to meet policyholder and contract obligations. Risk factors are modest, and the impact of any adverse business and economic factors is expected to be very small
A+ A A-	Strong. Strong capacity to meet policyholder and contract obligations. Risk factors are moderate, and the impact of any adverse business and economic factors is expected to be small.
BBB+ BBB BBB-	Good. Good capacity to meet policyholder and contract obligations. Although risk factors are somewhat high, and the impact of any adverse business and economic factors is expected to be manageable.
BB+ BB BB-	Moderately Weak. Moderately weak with an uncertain capacity to meet policyholder and contract obligations. Though positive factors are present, overall risk factors are high, and the impact of any adverse business and economic factors is expected to be significant.
B+ B B-	Weak. Weak capacity to meet policyholder and contract obligations. Risk factors are very high, and the impact of any adverse business and economic factors is expected to be very significant.
CCC CC C	Very Weak. Very weak with a very poor capacity to meet policyholder and contract obligations. 'CCC': Risk factors are extremely high, and the impact of any adverse business and economic factors is expected to be insurmountable. 'CC': Some form of insolvency or liquidity impairment appears probable. 'C': Insolvency or liquidity impairment appears imminent.
D	Distressed Extremely weak capacity with limited liquid assets to meet policyholders and contractual obligations, or subjected to some form of regulatory intervention and declared insolvent by the regulator.

<p>Outlook (Stable, Positive, Negative, Developing) Indicates the potential and direction of a rating over the intermediate term in response to trends in economic and/or fundamental business/financial conditions. It is not necessarily a precursor to a rating change. 'Stable' outlook means a rating is not likely to change. 'Positive' means it may be raised. 'Negative' means it may be lowered. Where the trends have conflicting elements, the outlook may be described as 'Developing'.</p>	<p>Rating Watch Alerts to the possibility of a rating change subsequent to, or in anticipation of, a) some material identifiable event and/or b) deviation from expected trend. But it does not mean that a rating change is inevitable. A watch should be resolved within foreseeable future, but may continue if underlying circumstances are not settled. Rating Watch may accompany Outlook of the respective opinion.</p>	<p>Suspension It is not possible to update an opinion due to lack of requisite information. Opinion should be resumed in foreseeable future, but may stay in abeyance for long. However, if this does not happen within six (6) months, the rating should be considered withdrawn.</p>	<p>Withdrawn A rating is withdrawn on a) termination of rating mandate, b) cessation of underlying entity, or c) the rating remains suspended for six months.</p>
