Commentary

Pak Qatar Daily Dividend Plan (PQDDP) is an allocation plan under "Pak Qatar Islamic Cash Fund" owned by Pak Qatar Asset Management Limited and is a low risk profile Plan. As of Sep'25, the Fund had allocated ~31% in AAA rated category and ~62% in AA+ rated avenues, while remaining was invested in others. As of September 2025, the Plan reported AUM of PKR 1,332.15 million, reflecting its strong positioning within the Islamic liquidity space. The portfolio is highly liquid and diversified, with major allocations in bank deposits (61.49%), short-term Sukuks/DFIs (14.90%), and GoP Ijara Sukuks (7.46%). Credit quality is robust, dominated by AA+ and AAA/sovereign exposures with limited allocations to lower-rated avenues. With a short WAM of 30 days, the Plan carries minimal rate risk and benefits from strong liquidity. Investor concentration stands at 41.32%, indicating moderate redemption sensitivity, though ample liquidity provides resilience. Going forward, any material changes in the investment policy or the devised rating criteria for the assigned rating would have an impact on the ratings.
